Leather Selection

Ohio is available in a range of leather colours and shown below is a selection of the most popular. Please ask to see the tear-drop shaped leather swatches for more colours. The leather has a protective top coating applied for added durability and the thickness of the leather ranges between 1.4 – 1.6mm.

Colours are as close as the printing process allows. See the tear-drop shaped leather swatches to confirm true colour. Because of leather's natural characteristics, grain and colour may vary.

Ohio is exclusively imported by Danske Møbler.
